Subject: Summary of IAs while I am out of the office until May 18th

;

Removal IA with Kerry Guy—Stuck in the Washington DC service center. Lakeyshia was out sick for two weeks and it was not addressed. Hoping to hear by the end of the week if there are any issues with the IA.

Gilt Edge—signed by Seattle SC and waiting for ACE signature. I will try to do the WAF tomorrow.

Upper Animas—going out of Seattle SC today to the ACE. Will do WAFs when I return.

Ecotox for Karen Hamilton—In Washington DC SC. They are backlogged so I won't see that until I get back.
